REMARKS/ARGUMENTS

Reconsideration of the application is requested.

Claims 1 - 4 and 6 remain in the application. The subject matter of claim 5 has been incorporated into claim 1.

According to the amended claim 1, there are provided busbars in the stations of the cable railroad system which charge the batteries while the chairs move through the stations.

The previously dependent claim 4 has been rewritten in independent form by incorporating all of the terminology from claim 1.

Similarly, claim 6 has been rewritten in independent form.

In light of the indicated allowability of claims 4, 5 and 6, all of the claims are now in condition for allowance.

Should the Examiner have any questions or comments, counsel would be glad to discuss the matter by telephone.

In view of the foregoing, reconsideration and the allowance of all of the claims are solicited.
